Michael Dickson, CPA, CITP, CISA, CISM, is the Director of our Business Technology Group. Michael has over 25 years of auditing and information security experience. Prior to joining GBQ in 2010, he served as President of Business Technology Group, LLC. Previously, he was a Partner at Crowe Chizek.

Michael's experience includes working with middle market, family owned and public companies of all sizes, to deliver specialized Information Technology Audit and Advisory services. He has designed and executed internal audit and regulatory compliance programs for local, regional, and global companies including both PCAOB registered and privately owned companies. Michael also has significant experience with multiple compliance frameworks including CoBit, NIST, PCI, HIPAA, SOX, Red Flags, and Privacy and has assisted clients in developing a unified control framework to address the needs of multiple stakeholders.

Michael is an active member of the Columbus community and currently serves on the Board of Trustees' Technology Advisory Committed for Capital University. He is an active member of the American Institute of Certified Public Accountants and the Ohio Society of Certified Public Accountants, having served on the executive boards of both associations and as a Past Board Chair for the Ohio Society. Mike has been named twice by Accounting Today Magazine as one of the "Top 100 Most Influential People in the Accounting Profession" for his leadership role in recognizing and promoting the value of technology professionals within the accounting profession.
