Jenny graduated from Wright State University in Dayton, Ohio in 1989 with a Bachelor of Science in Business Administration and a double major in Accounting and Finance. After graduation, she moved to Columbus to work with a large cardiology practice where she worked her way from bookkeeper to office manager overseeing many aspects of the practice including: billing, office redesign, staffing and computer system and software selection. During that time she also earned her CPA designation.

In 1993 Jenny joined a small local accounting firm that specialized in healthcare so that she could broaden her experience with physician practices. For the past 15 years, Jenny has been involved in all aspects of practice management and small business development. She has been heavily involved in practice start-ups as well as aiding existing practices with billing issues, staff modeling and selection, project analysis, financial management, compliance issues, and tax planning. With her practice management experience and her accounting background, Jenny brings together the understanding of the internal operation of a practice with the financial aspects. In 1999, she expanded her professional skills by becoming a Certified Professional Coder in an effort to assist practices with chart auditing and compliance.

Jenny is a member of The Medical Group Management Association, The American Institute of Certified Public Accountants, Ohio Society of Certified Public Accountants, American Academy of Professional Coders, the Ohio Medical Group Management Association and the Treasurer of the National CPA Health Care Advisors Association. Jenny also has been active in volunteering in the Hilliard City Schools, she was the past Treasurer for the Hilliard Music Boosters, Inc.
