Columbus, OH, February 22, 2010: GBQ is proud to announce that Darci Congrove, Managing Director, was selected to receive the 2010 United Way of Central Ohio's Robert S. Crane Jr. Young Philanthropist Award. The award will be presented at the YLG Recognition Reception on February 25, 2010 at the Wexner residence.

The United Way of Central Ohio's Robert S. Crane Young Philanthropist Award is presented each year to a current member of the Young Leadership Group who demonstrates the utmost concern and caring for the community through his/her diligent efforts to contribute not only financially, but also with service and time. The recipient of this award must demonstrate the importance of giving back to the community early in life, a concern for health and human service work (via United Way and through other community organizations), and have the ability to inspire others to get involved in addressing the pressing issues in central Ohio.

This award has been presented to community leaders for the past nine years. Each year Robert S. Crane Young Philanthropist alumnae nominate and select the award recipient.
