GBQ "Tops the Morning" with Irish Six-Packs
.....

Columbus, OH, March 11, 2011: St. Patrick's Day is right around the corner and while the majority of people think shamrocks, March Madness and celebrating an Irish heritage with green beer, St. Patrick's Day means Green Bagels for Columbus' GBQ Partners LLC.

GBQ will be thanking clients, associates and friends of the firm with 1,000 green bagel 6-packs. The party will kick off Thursday, March 17th from 7:30 - 9:30 am at the Arena District office.

The GBQ Green Bagel Celebration began more than 20 years ago as a client appreciation event. Today, it is one of the larger St. Patrick's Day celebrations in the city, with more than 150 in attendance and 1,000 green bagels. The annual tradition was embraced and encouraged by two company founders, Jack Boyle and Ron Quillen, both of whom were Irish. The green bagels are made from scratch by Bexley based Block's Bagels, and the event is celebrated with jolly good cheer.

About GBQ

GBQ is the largest independent accounting and consulting firm in Central Ohio. With over 100 associates we are large enough to handle the needs of today's complex and progressive organizations, while providing close personal attention. As an independent member of the BDO Seidman Alliance, GBQ has access to global resources through a network of accounting and consulting firms.
