Scott graduated from The Ohio State University in 1992 with a Bachelor of Science degree in Business Administration with a major in Accounting. After graduation, he began his public accounting career as an auditor with Coopers & Lybrand in Columbus, Ohio. In 1994, Scott joined the Assurance department of GBQ Partners LLC. Scott has won several client service and managerial awards as voted firm-wide.

Scott brings to the table a wealth of knowledge relating to financial reporting. Scott's practice specialty focus is technical accounting and financial reporting matters, and he is routinely assigned to engagements where there is a high level of business acquisitions, extensive technical research, or high-level accounting matters. Over the years, Scott has enjoyed being involved in speaking engagements related to technical accounting topics. Scott is also very involved in the maintenance of the firm's quality control standards for assurance services, which has required him to have a vast knowledge of financial reporting issues and to attend additional high-level continuing education classes. Scott is very active in the development of our firm-wide audit process, which includes implementing new standards for clients as well as engineering our overall procedures to ensure efficiency and effectiveness.

Scott's public accounting experience has included serving both private and public companies in various industries. This experience includes the performance and management of audits, reviews and various other business consulting projects.

Scott is the Treasurer for the Pickerington Cub Scouts Pack 399, Treasurer for PKT Co., a member of the American Institute of Certified Public Accountants and the Ohio Society of Certified Public Accountants.
