## Do you have a hobby you're really into right now?

Sailing, as always. But I recently picked up an affinity for puzzles.

## What's one food you could eat every day and never get tired of?

Pumpkin coffee cake from my local coffee shop. It is also vegan, which is a surprise because I could never give up meat.

## Did you have prior work experience in a restaurant or hospitality business?

I have never worked in a restaurant or hospitality business. My first job was working as a grocery bagger in my local grocery store.

## What's one part of your job you're especially proud of?

Being able to help clients on all matters ... not just tax!
